Training Registration

Registration must be accompanied by payment – cheque or credit cards accepted
Please confirm space availability by phone or e-mail prior to registering.
In case of cancellation by Concrete Countertops Canada, total payment will be refunded.

Classes fill up early, so schedule changes are difficult to accommodate.
If you cannot attend a scheduled training, we have a **cancellation policy** with three options:

1. Notify us seven days or earlier before class to reschedule for a later date at no charge.
2. Notify us 14 days or earlier before training and cancel for a \$100 processing fee.
3. There are no reimbursements for no-shows or cancellations within seven days of training.

Two Day Comprehensive Hands On Training

We are currently offering training using the renowned Buddy Rhodes* products and process. Visit www.buddyrhodes.com

Join the growing network of concrete professionals across Canada and the North Eastern United States who built their business on the expertise, advice and training of Concrete Countertops Canada.

Concrete is becoming a premier choice for countertops by architects, custom builders and home owners. You can deliver a quality product using proven product and processes.

We'll discuss:

- various concrete mixes – properties – pro's & con's
- pre-cast versus cast-in-place
- finishes and sealants for kitchen and bath applications
- how to – from quoting & templating to installation
- business practices – pricing & client expectations

You will work hands-on to:

- mix, pour and finish a vanity with an integral sink, a trowelled slab countertop and tiles

You will take home:

- your tiles with pressed & veined techniques
- a certificate of completion

Cost: \$795
(includes taxes)

2 day course runs 9am – 5pm Friday & Saturday
Continental breakfast and lunch included daily.
Small class size for individual attention.

Concrete Countertops Canada Owner/President, Rob Bryant (left) with Buddy Rhodes at the Concrete Countertop Industry Conference in Raleigh, NC in 2006.

How to Get to the Concrete Countertops Canada studio

Orono, Ontario is just 45 minutes east of Toronto.

Take Hwy 35/115 north from the 401 for 9.2 km.

Take **MAIN ST./Orono exit**

You'll be on **CONCESSION Rd 5**
Turn right onto **MAIN ST**,

Take first left onto **Mill Pond Rd.**

Follow Mill Pond Rd over the bridge – it turns back into **Concession 5.**

Turn right into the first treed laneway
This is **Princess St.** - a private unmarked roadway.
We're in the **2nd** building on the right.
